

1. Shut off power before installation.
2. Fix the mounting strap to ceiling.
3. Tighten the nut to the threaded rod and put on the metal cap. Feed the main wire through the chain connectors, chain and canopy.
4. Screw the bottom chain connector into the threaded rod and connect the chain to the bottom chain connector and the top chain connector.
5. Connect the wires with wire connectors to the corresponding wires in ceiling.
6. Attach canopy to the mounting strap and screw top chain connector into the mounting rod securely.
7. Hang the crystal to the metal frame and screw in wooden finial.
8. Screw in light bulbs (not included with the light fixture).
9. Turn on the power and test.
