

TVVLBRDV (shown with Tekwood Vintage)

FEATURES

- Versatile modular system can be configured in a variety of ways
- Ideal for storage at pools and outdoor dining, or to create a merchandising, reception, or valet station
- Interior lined with plastic
- Can be used as a freestanding unit or attached to other modular components using supplied hardware
- Includes black vinyl letters for Trash, Recycling, and Used Towels
- 20 gallon plastic liner and removable door
- Bottom grate for drainage
- Low-maintenance and ideal for outdoor applications

MATERIALS

Powder-coated aluminum is durable and lightweight. Its rustproof nature ensures furniture will remain beautiful over its lifetime. Tekwood is a wood-alternative developed from polystyrene providing the look of wood without the weathering process. Both materials are ideally suited to the outdoor environment and provide commercial-grade quality.
