

Wall

Playfully Practical

# Gravy wall sconce

Designers  
Kenneth Ng, Edmund Ng

Spark Award 2015  
iF Design Award 2016

The Gravy Wall Sconce is a playful, customizable and highly functional piece. The sconce's head swivels back and forth and rotates 360°. As a result, it can be enjoyed as an ambient light or task light. Touch the center of the LED head to power on/off and hold it to dim. Choose between plug-in or hardwire versions to suit your mounting capabilities. The magnetically attached surface plates are interchangeable, enabling users to select painted finishes, wood veneers, metal or fabric to match their interior space.

Lumens: 320  
 Energy Consumption: Plug-in: 4.5 W / Hardwire: 5.8 W  
 Rated Lifespan: 50,000 hours  
 Color Temperature: 2,700 K  
 Color Rendering Index (CRI) : Plug-in: 83 / Hardwire: 94  
 Brightness Adjustability: Continuous Dimming  
 Material: Zinc alloy, plastic  
 Safety Rating: C-UL-US Certified  
 Warranty: 5 years (1 year for hardwire driver)  
 Voltage: Plug-in: 100-240 V / Hardwire: 120 V  
 Standard Finishes (Body): Matte White, Silver, Chrome, Metallic Black  
 Standard Finishes (Face Plate): Matte White, Silver, Chrome, Metallic Black, Oiled Walnut (Veneer), White Oak (Veneer), Matte Orange, Matte Red, Matte Yellow, Matte Hot Pink, Matte Blue, Matte Green, Oxford (Felt), Honeydew (Felt), Azure (Felt).

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems. Koncept’s LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

Interior Lighting

To promote occupants’ productivity, comfort and well-being by providing high-quality lighting. Koncept’s entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.

Photometrics: Light source placed 15” away from work surface
