

Many People, One Thought

Providing quality solid wood furniture at an affordable price has been a group effort.

From concept to product design, manufacturing and retailing, each area focuses on the details that will assure you a low price. But, never at the expense of function, styling or good sense.

A "ready-to-assemble" item reduces transportation and warehousing cost which helps your retailer keep their prices reasonable. Now, you are joining "Team Adeptus" with the final step, assembly.
