- Arrives fully assembled
- Stackable up to 4 high for convenient storage
- Slatted seat prevents ponding
- Optional cushion available

#### MATERIALS

With a beautiful, dense grain, teak is a superior wood for the construction of outdoor furniture. Teak has a high oil content making it resistant to rotting, bug infestation, warping, and splintering, as well as the effects of wind, rain, sun, and snow. Left untreated, it will weather naturally to a beautiful silver gray color. When properly maintained, the expected lifetime of Oxford Garden teak products are fifteen years.

| Seat Height       | Assemb. Width | Assemb. Depth | Assemb. Height | Assemb. Weight Lbs. |
|-------------------|---------------|---------------|----------------|---------------------|
| 17.5"             | 24.25"        | 21"           | 34"            | 13.3                |
| Carton # of Boxes | Carton Width  | Carton Depth  | Carton Height  | Carton Weight Lbs.  |
