

ATKINSON BRUSH

THE ONLY BRUSHING BRUSH MADE
IN THE U.S.A.

Advantages

- 1. Cleans teeth thoroughly
- 2. Does not irritate gums
- 3. Does not scratch enamel
- 4. Does not injure pulp
- 5. Does not injure periodontium

How to Use It

Hold the brush in your hand as shown. With regular brushing, a minimum of 100 strokes should be made on each side of the upper and lower teeth.
