

Undermount Offset Stainless Steel

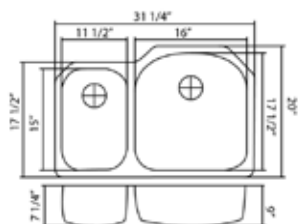

PR1301US

31 1/4" x 20" x 7 1/4"(L) x 9"(R)

We are proud to introduce a new line of stainless steel kitchen sinks made in the USA. This new collection of kitchen sinks is made from 300-series stainless steel. Stainless steel sinks have remained the most popular choice in kitchens for decades. The brushed finish of our sinks is preferred over our competitors for its ability to hide small scratches that can occur over time. We warranty all sinks to last the lifetime of your home.
