***** Do not tighten screws & bolts until the entire unit is completely assembled. *****

STEP 1

Attach large side panel (A) to small side panel (B) using bolts (1) as shown.

There are total 3 pieces of side panel.

STEP 2

Attach wood shelf (C) to one large side panel (A) using bolts (2) as shown.

STEP 3

Attach another large side panel (A) to wood shelf (C) using bolts (2).

STEP 4

Attach the large side panel (A) to wood shelf (C) using bolts (2).

STEP 5

Attach the wood shelf (C) to the assembled unit using bolts (2) as shown.

STEP 6

Attach the wood shelf (C) to the assembled unit using bolts (2) as shown.

STEP 7

Attach the wood shelf (C) to the assembled unit using bolts (2) as shown.

STEP 8

Wall

5

Select a location where you want the shelf mounted. Mark on the wall the two locations where the wall anchors (4) will be placed. Drill a hole for each anchor slightly smaller than the size of screws (6). Push the wall anchors (4) as far as it will go with your finger. Tap gently with a hammer until the anchors are in. Then align the L brackets (5) to the wall anchors (4) and insert screws (6) to secure.

Wall

STEP 9

Insert each end of the plastic strap (7) into L brackets (5), then secure and tighten.
