

## Assembly Instructions for Hammock Chair C-Stand

### **WARNING:**

#### **Frame load limit 300 pounds.**

The frame is not intended to be a swing set;  
Failure to adhere could result in injury.

### **CARE AND MAINTENANCE:**

- Inspect the welded joints around the foot brackets periodically.
- Check that no parts have rusted through, especially on any welded areas.
- Using a commercially available rust inhibitor will prolong the life of your stand.
