## COLLECTION

### HAND-TUFTED FROM 100% IMPORTED WOOL

The Chancellor Collection pulls inspiration for its highly detailed patterns from the aristocratic fashion of the French baroque period. The beautiful intricate patterns mixed with vibrant colors instantly commands attention and instills a feeling of class in any room. These gorgeous Hand-Tufted rugs are produced using space-dyed 100% imported wool which is then spun into a premium yarn. Each of these single pile rugs is then serged by hand and backed with cotton canvas.
