

Infinity Grab Bar

With a modern T-style bar to bracket design and a bar that flows past it's mounting points, it appears that the Infinity Mount Grab Bar could go on forever.

From our infinity collection, this contemporary, sleek design can be installed horizontally, vertically or on an angle to provide a best combination of safety and designer style in your home, bath tub, or anywhere in your bathroom.

- Complies with the Americans with Disabilities Act (ADA) when properly installed, sized, and located.
- High Quality 18 Gauge Stainless Steel

Includes: (6) Stainless Steel Screws
