

# OXFORD GARDEN® TRAVIRA Coffee Table

TVTAY (shown with Tekwood Vintage)

## FEATURES

- Leg end caps provide protection from scratching of surfaces
- Pair with Travira or Argento chat or lounge seating options
- Easy assembly
- Low-maintenance and ideal for outdoor applications

## MATERIALS

Powder-coated aluminum is durable and lightweight. Its rustproof nature and resistance to chipping or peeling ensures furniture will remain beautiful over its lifetime. Tekwood is a wood-alternative developed from polystyrene providing the look of wood without the weathering process. Lite-Core is an engineered panel of natural granite with an aluminum honeycomb core resulting in a beautiful surface that is durable and lighter in weight than solid stone. All materials are ideally suited to the outdoor environment and provide commercial-grade quality.
