Minimum flat for door:	1-9/16" (40 mm)

Notes

Measure your actual product for rough-in details. Install this product according to the installation instructions.

The hot water supply should be 70% of the capacity of the bath or greater. Installations will vary.

This product is designed for drop-in installation only. It is not suited for use in a three-wall alcove with an overhead shower.

ADA compliant when installed to the specific requirements of these regulations.
