

AQUARIUS ShowerSpas

Model # 1052-CH

297 Anna St. | Watsonville, CA 95076 Toll Free: 888.785.7320 www.PulseShowerSpas.com

The design and style of the Aquarius gives your bathroom a fresh and modern look by simply replacing your shower head. Using your existing valve, the Aquarius has a rain shower head with a pivoting shower arm allowing you to position the showerhead from left to right. The magnetic handshower holder makes it unique and complete.

THIS SHOWERSPA DOES NOT INCLUDE A MIXING VALVE. REFER TO THE TRU-TEMP VALVE, MODEL #3001-RIV-PB.
