

Sofa Assembly Instructions

Your Sofa comes packaged in one box.

DO NOT use any sharp objects to open plastic wrapped components as damage to product or components may result.

Carefully remove all of the components from the packaging and set aside for assembly. Assemble on a soft surface to prevent scratching the finish.

Assembly

Step 1

Step 2

Step 3

Step 4

Note: It is recommended that outdoor furniture cushions and pillows be placed in a deck box or covered when not in use. This will help to minimize the fading effects of UV exposure and extend the vibrancy of your fabric.

One Year Warranty: The furniture is warranted against defects in workmanship and materials. Items covered would be seam slippage, frame structural integrity, fit and finish of parts. Items not covered would be product abused by the user, normal wear and tear, stains or discoloration due to use, damage in any transportation. Softening of foam is considered normal wear and tear and is not covered by warranty. Warranty is for PARTS ONLY and does not include transportation and labor costs associated with any warranty claim.

Your set style may differ from images. Care for your furniture by periodically tightening all bolts using the included hex key.

CAUTION: Tighten all components securely before use. Failure to do so may result in personal injury.
