Assembly Instructions:

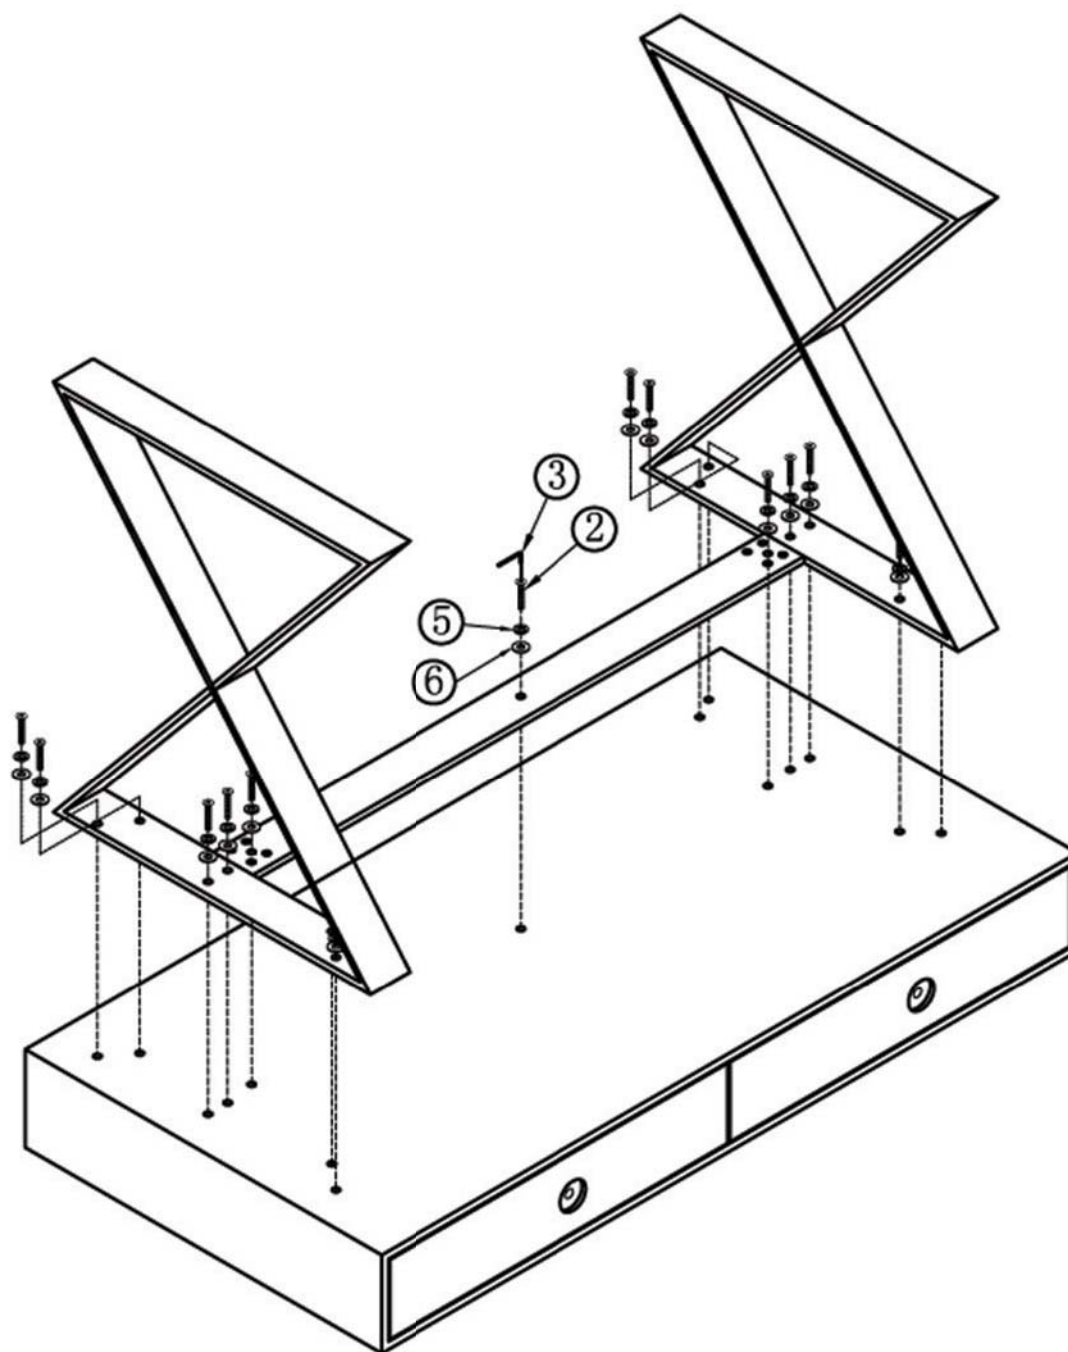

1. Remove all the components from their boxes and place them on a carpeted or scratch-free surface. Place the Leg (B) upright with the U-bracket on the bottom. Assemble the Center Stretcher (C) to the U-bracket of leg, secure with the short bolts ①, spring washers ⑤ and flat washers ⑥ using the enclosed Allen Key ③. (Step 1)
2. Align the other end of the stretcher with the other leg, secure with the short bolts, spring washers and flat washers as in step 1.

3. The legs are assembled. Place the Table Top (A) upside down on a carpeted or scratch-free surface. Slightly lift the assembled legs and align the pre-drilled holes in the rails of legs with the holes in the bottom panel of Table Top. Secure them with the long bolts ②, spring washers ⑤ and flat washers ⑥ using the enclosed Allen Key ③. (Step 2). Do not over tighten bolts. Over tightening will interfere with drawer operation.

FURNITURE

4. Grip the table firmly at each end and turn upright. Attach the knob (D) to the drawer front, secure the screws ④, using a Phillips Head Screwdriver (not included) to turn clockwise until tight. (Step 3)

5. Assembly is complete. Due to the nature of its design the desk may have some lateral movement.
