| <p data-bbox="1236 168 1310 992">Assemble the legs A2 to the top apron A1 using bolts and washers B1.</p>  <p>The diagram illustrates the assembly of the table's legs. It shows a side view of the table's top apron (A1) and four legs (A2). Bolts (B1) and washers are used to secure the legs to the apron. A circular inset provides a magnified view of the bolt and washer assembly on the apron. Labels A1, A2, and B1 identify the respective components.</p> | <p data-bbox="1273 1202 1310 2067">Assemble the drawer knob B2 to the drawer panel using bolt.</p>  <p>The diagram shows a side view of the table with a drawer. A knob (B2) is being attached to the front panel of the drawer using a bolt. The label B2 identifies the knob.</p> |
