

VANITY SCONCE LIGHT

Elevate your home with the AF Lighting 1-Light Vanity Wall Sconce. Its stylish two-tone finish, durable build, and versatile mounting options make it ideal for your bathroom. The chic design pairs matte black with brushed brass, blending seamlessly with various decor styles. It accommodates 60W Type A bulbs (not included) in a heat-resistant ceramic socket, and the clear round glass globe is easy to replace. Mount it up or down to customize your space. Safety is ensured with UL Listing for damp locations. For installation, consult a licensed electrician. All necessary hardware and instructions are included for a hassle-free setup. Upgrade your bathroom with the AF Lighting 1-Light Vanity Wall Sconce.
