

Furniture needs some loving too, here are some tips on how to properly care for your purchase:

Cushion Cover Care

- ★ Remove and machine wash with cold water on delicate cycle
- ★ Air Dry! Do NOT machine dry
- ★ Gently steam the fabric to remove any wrinkles that may have occurred during shipping

Wicker Worries

- ★ Easily wipe the wicker down with a damp towel or cloth
- ★ For a deeper clean, use a gentle soap and water mix

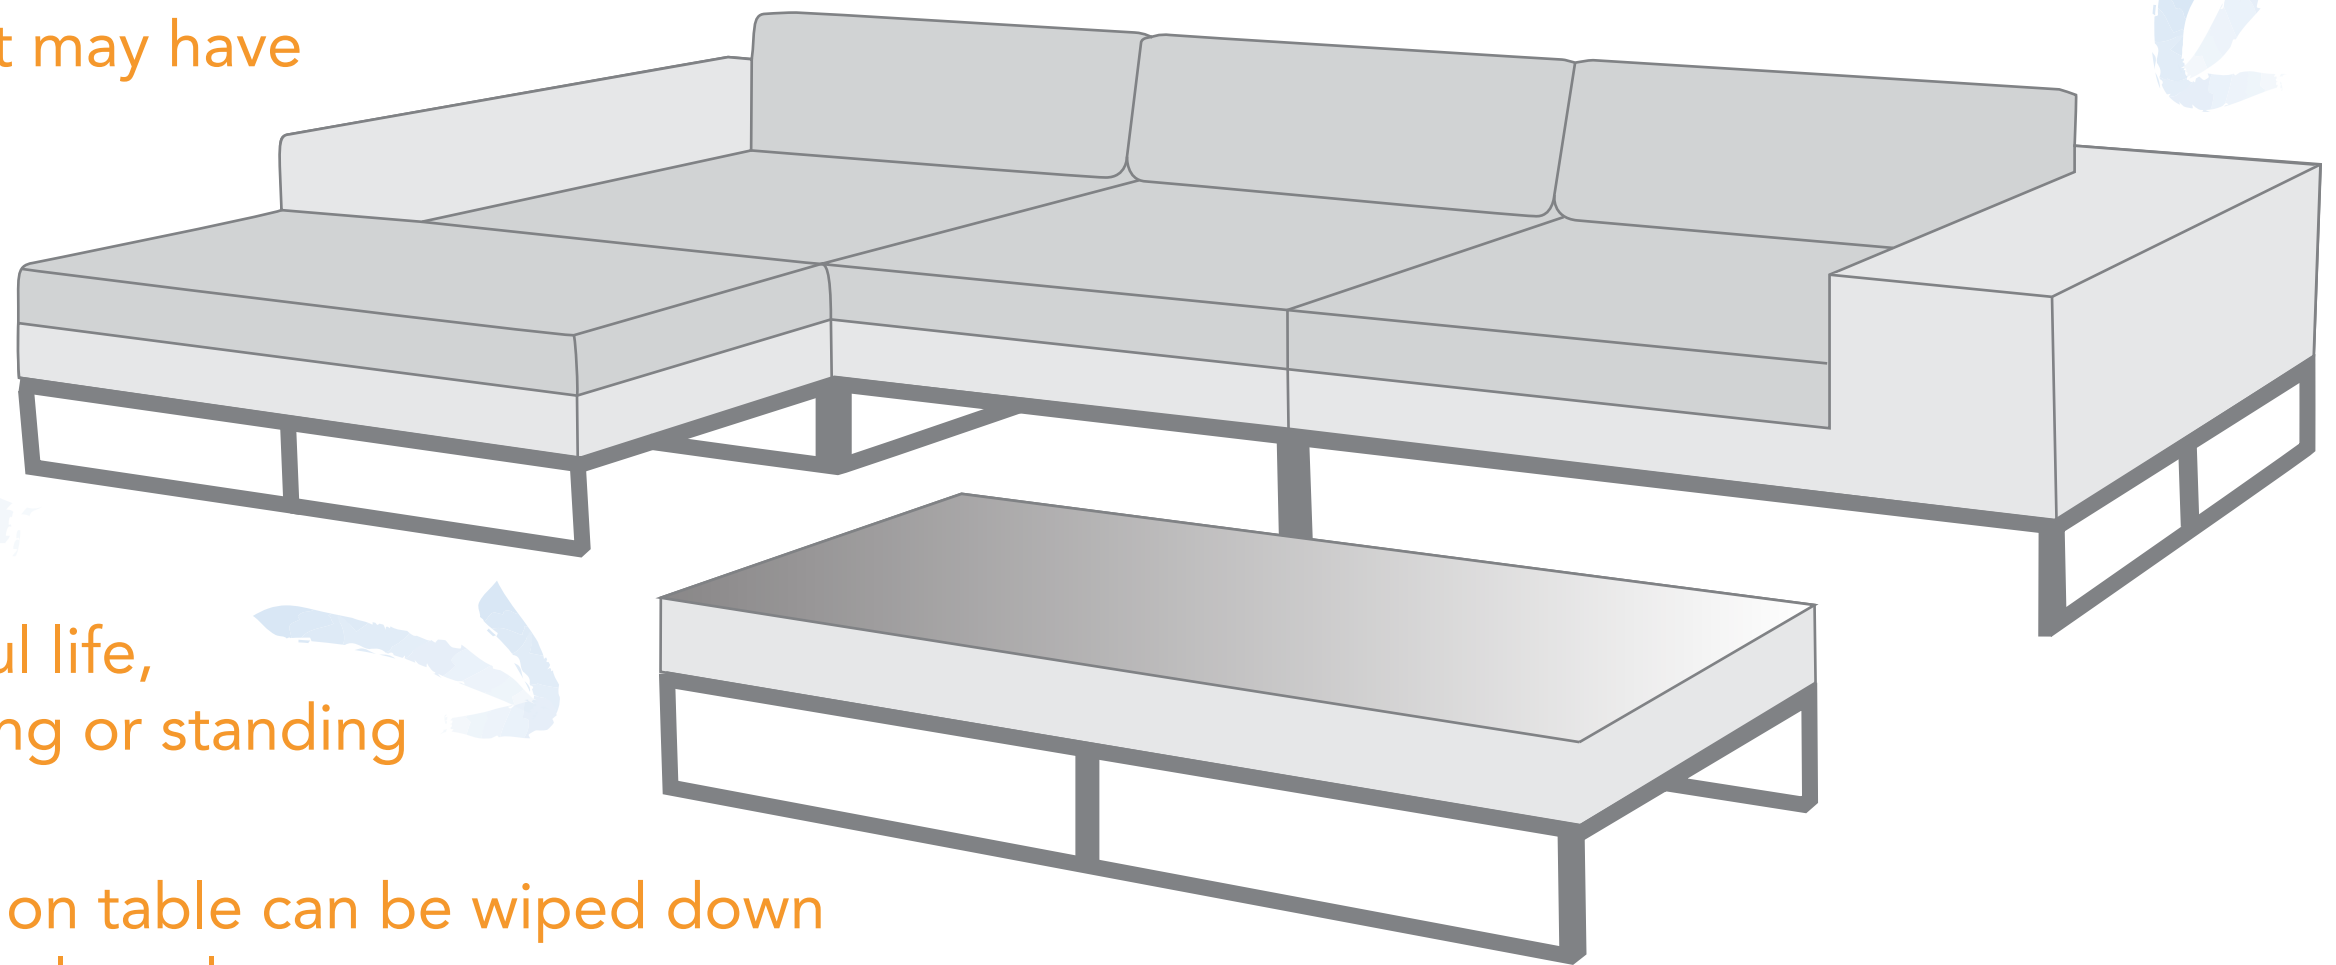

Table Troubles

- ★ To prolong useful life, refrain from sitting or standing on the table
- ★ Tempered glass on table can be wiped down with a cloth and glass cleaner
- ★ Attempt to cover glass top when not in use to avoid sun damage & extend useful life
