RGB automatic pattern

RGB Manual pattern

half brightness/full brightness Switch

Easy color switch option: White/Median/Warm

ON — **power ON**

OFF — **power OFF**
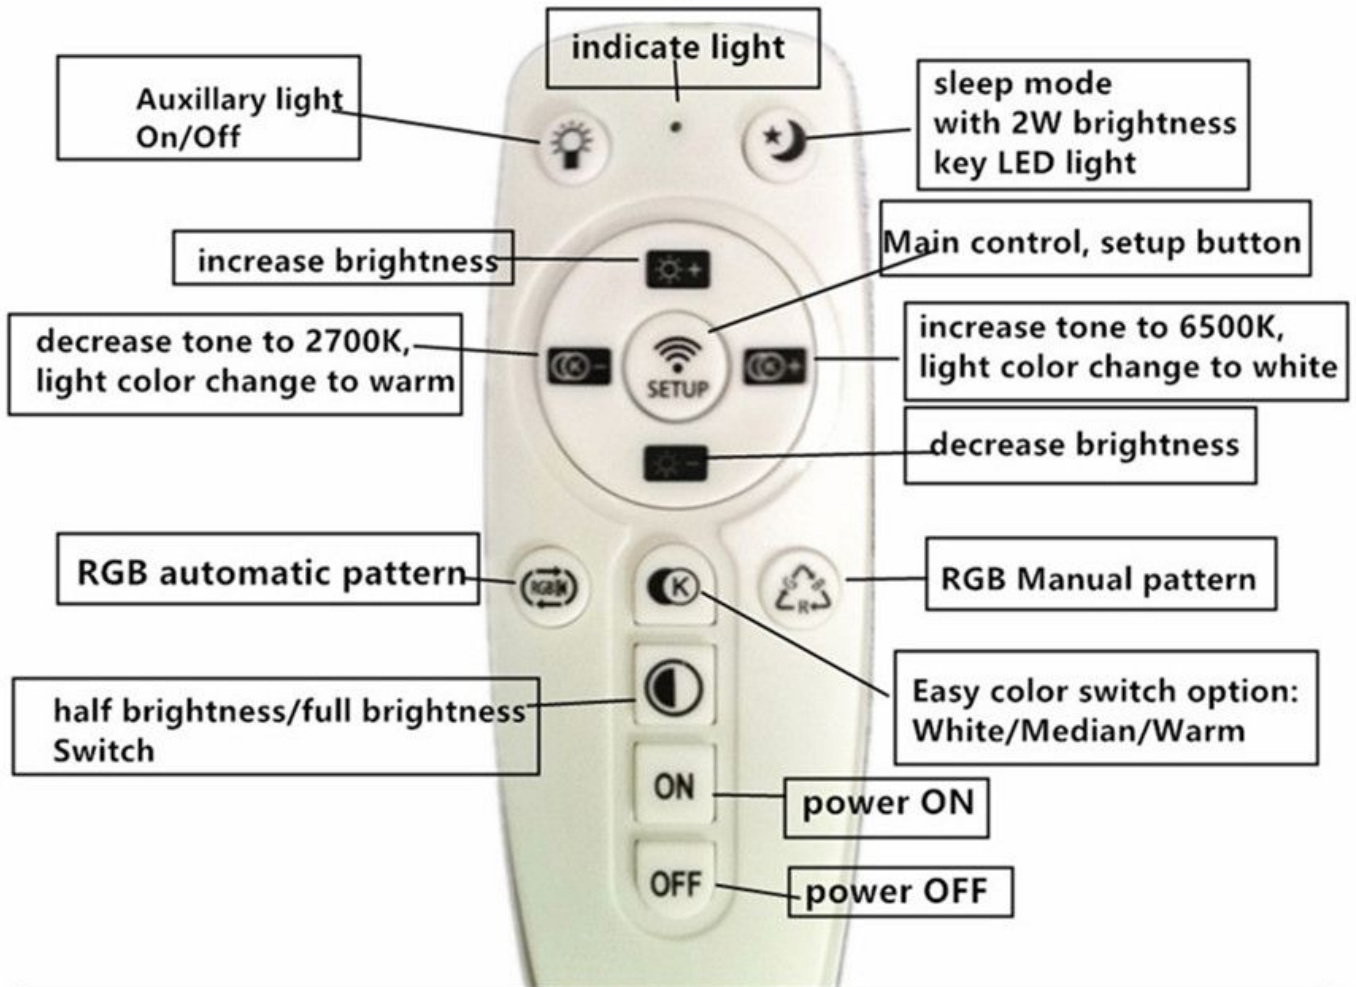

Connect the lamp with the remote:
(1).Turn on the power supply for this lamp, that means turn your own switch on, the one on your wall.
(2) Hold the remote, poiting it to the lamp, then press "Setup" button in 5 seconds after step (1)
Then, the remote is connected to the lamp.
Key point: do (2) within 5S after you do (1)
