Incorporate a hint of stylish industrial light to any commercial or residential setting with this brushed nickel one-head track metal directional light fixture. A multi-directional lamp head provides design flexibility and illuminates typically hard-to-reach areas such as highlighting an image in a lobby or gallery. The directional frame is coated in a beautiful black finish. The lamp features an industrial styled-shade with an outer ribbed design and the capability to create different beam shapes as needed.

- Each lamp features an industrial styled-shade with an outer ribbed design and the capability to create different beam shapes as needed.
- The directional frame is coated in a beautiful black finish.
- Multi-directional lamp heads provide design flexibility and illuminate typically hard-to-reach areas
