Atwell

Extraordinary on the first impression, but always at peace with whatever setting it calls home, this pendant is a statement-making lighting design. The light fixture features an intricate blend of circular and a one-of-a-kind architectural designs that is both remarkable and enduring. A clear globe shade softens and contrasts with the frame's sharp corners.

- Extraordinary on the first impression, but always at peace with whatever setting it calls home, this pendant is a statement-making lighting design.
