

The True & Tidy HS-26 Portable Garment Steamer is a powerful 1200-watt garment steamer with a stainless steel press plate. Built with our special drip free heating technology, the HS-26 allows you to steam and press away wrinkles at any angle, even horizontally. The Power Steam Press heats up quickly in under one minute, reaching temperatures of over 220 degrees. When not in use, the HS-26's auto shut off safety feature will power down. The ergonomic soft touch handle makes it easy to steam or iron vertically or horizontally. Compact and lightweight the HS-26 is perfect for home, office or travel. Included accessories: Fabric Brush, Lint Remover Brush, Measuring Cup.
