Enjoy fine dining outdoors with the 9-piece dining set from the Hammond Collection. This coastal dining set includes a cast-top, expandable table, and eight sling swivel rockers. Each item is built-to-last outdoors using heavy-duty aluminum frames treated with a multi-step, weather-protective finish. Both fabric and frames possess earthy color tones that easily compliment any environment you see fit. The swivel rockers feature contoured seats for added comfort and back support. They also perform a smooth 360-degree spin and gentle rocking motion. You can easily accommodate last-minute guests with this beautiful expandable table. It measures 76 inches at its smallest length, but can easily be extended to 102 inches at a moment's notice. Create a comfortable and attractive outdoor dining area for family and friends to enjoy year after year with Hanover.
