

# JONATHAN ADLER FURNITURE

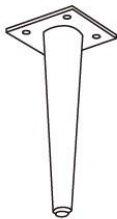

## Ether Chair

### Assembly Instruction

- For ease of assembly two people are recommended.

#### Parts Included:

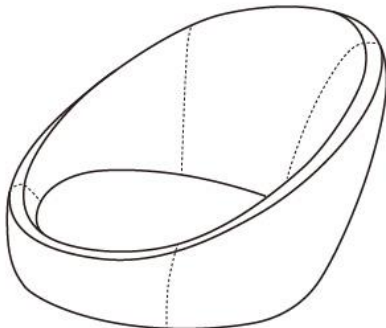

- (2pcs) Front leg - Straight

- (2pcs) Back leg – Splayed

- (1pc) Chair body

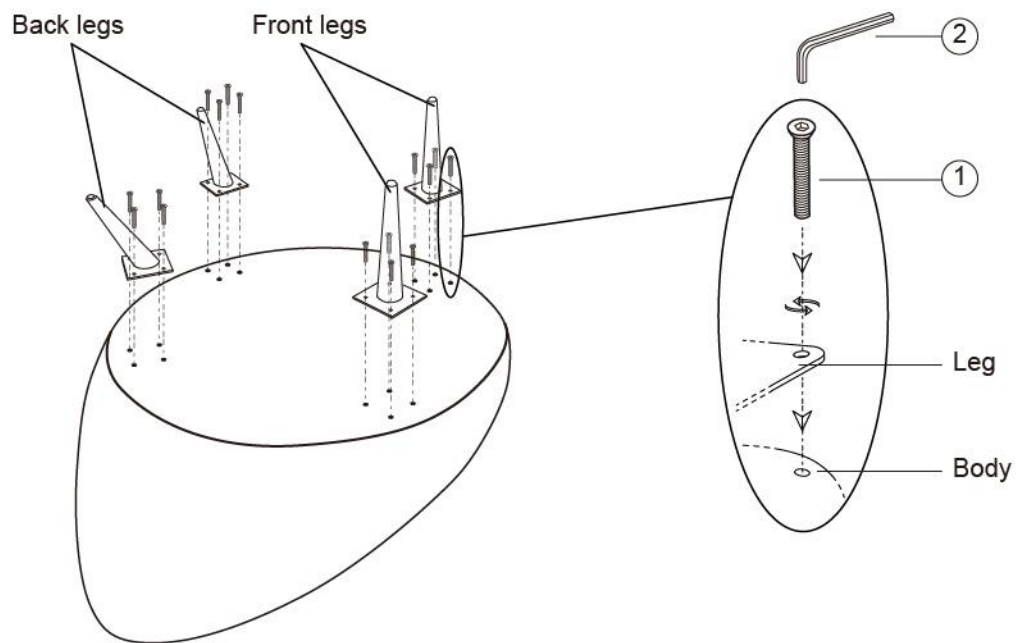

#### Hardware Enclosed:

①	 Countersink Screw	16pcs
②	 Allen Wrench	1pc

### Assembly Instructions:

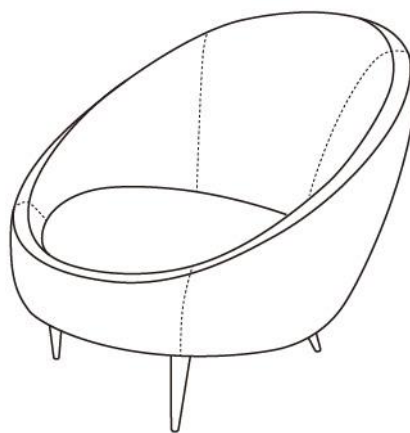

#### Step 1:

Place Chair Body upside down on a carpeted or scratch-free surface. Align the pre-drilled holes on the Legs and the underside of Chair Body with the Screws (1). Then secure them with the Allen Wrench (2) as shown in the figure below. Do not tighten screws until all the Legs are bolted.

#### Step 2:

Turn the chair upright and place in desired location.

Ensure all bolts are fully tightened every three months to ensure stability.
