GENERAL INFORMATION

Your new Miles Club Chair is made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your Miles Club Chair clean. For best results, clean with a soft, damp cloth. If you use furniture covers, always make sure the Miles Club Chair is clean and completely dry before covering, as mold may form in dark, wet places. Remove cushions prior to covering and store them in a dry, temperature controlled place. Check the hardware on your Miles Club Chair regularly to make sure it is secure.

The weight limit is 350 lb/160 kg.

Do not stand or allow children to stand on the assembled product. Ensure hardware is securely in place. Perform periodic checks to make sure the connections are secure and adjust if needed.

CAUTION

Read all instructions before beginning assembly. Failure to do so may result in faulty assembly and potential injury. Assemble the item on a soft, non-abrasive surface such as carpet or cardboard to avoid damaging the item.
