

ABOUT OXFORD GARDEN

For more than 20 years Oxford Garden® has created outdoor furniture with thoughtful design made right, and this philosophy permeates everything we do. Our products enhance commercial and residential spaces, creating outdoor living experiences that stand the test of time.

DESCRIPTION

Sunbrella® fabrics are made with close attention to design detail. The fabric is tactile yet durable, has industry-leading environmental characteristics, is easy to care for, and offers long life wherever it's used.

DURABILITY

Engineered with robust performance characteristics that provide resistance to fading and degradation from sunlight and chemical exposure, Sunbrella® fabrics are 100% solution-dyed acrylic, meaning the fibers are dyed in a color solution before they are woven, not printed on after the fabric base cloth is made. These fabrics are water resistant, so the colors stay true for a long period of time.

CARE AND MAINTENANCE

Brush off dirt before it becomes embedded and clean liquid spills as soon as they occur by blotting (don't rub) with a clean, dry cloth. For oil-based spills, apply an absorbent such as corn starch, then remove with a straight edge. Wash gently with a mild, non-abrasive cleanser and soft bristle brush. Rinse well and air dry.

WARRANTY

Oxford Garden® warrants all outdoor furniture and accessories to be free from manufacturing defects in materials and workmanship. Provided the furniture is assembled correctly and is subjected to normal use, Oxford Garden® warrants Sunbrella® fabric for a period of one (1) year from date of purchase against becoming unserviceable due to color or strength loss from normal usage and exposure conditions. Oxford Garden® also warrants all hardware used in the construction of its outdoor furniture for a period of three (3) years from the date of purchase to be free from defects and against structural failure.
