## BEFORE YOU BEGIN

Before beginning assembly, make sure all parts are present. Compare parts received with the “Parts List.” If any part is missing or damaged, do NOT attempt to assemble the product. Please read and understand this entire manual before attempting to assemble, operate or install this product. If you have any questions regarding the product, please contact Customer Service.

## GENERAL INFORMATION

Your new chair is made from the finest materials available. It should provide many years of enjoyment with minimal care.

Keep your chair clean. For best results, clean the chair with a soft, damp cloth. If you use furniture covers, always make sure the chair is clean and completely dry before covering as mold may form in dark, wet places. Remove cushions prior to covering and store them in a dry, temperature controlled place. Check the hardware on your chair regularly to make sure it is secure.

Cushion covers may be removed and hand-washed or machine-laundered on gentle cycle and laid flat or hung to dry. Do not dry with heat.

The weight limit for this chair is 220 lbs.

## SAFETY INFORMATION

### WARNING

DO NOT stand or allow children to stand on the assembled product.

DO NOT tighten hardware completely until instructed to do so. After final alignment, make sure all hardware is securely fastened. NEVER use a power tool to assemble or tighten your furniture. Perform periodic checks to make sure the hardware is secure and tighten if needed.

### CAUTION

READ all instructions before beginning assembly. Failure to do so may result in faulty assembly and potential injury. Assemble the item on a soft, non-abrasive surface such as a carpet or cardboard to avoid damaging the item.
