Awards and Recognitions

Global Product & Service

Equator

Best in Specialty Electrical Appliances - USA
& Best Washer/Dryer: The Equator Super Combo

Super Washer - Model EW 835

ENERGY SAVING

Automatic Water Level: Weighs the clothes to automatically use the correct amount of water required

Delay Start: Set the start time up to 24 hours later, in one hour increments

INNOVATIVE WASHING

Winterize Cycle: Winterize your machine in 2 minutes. Pour antifreeze and Start

Allergen Cycle: Special cycle to kill dust mites. The water is heated to 131° F and kept at that temp for 3 minutes

Sanitize Cycle: Water is heated to 165° F to sanitize clothes. Perfect for people working in contaminated environment to protect the family eg. Hospitals

Quiet Cycle: Clothes are washed and dried at low RPM with noise level less than 60 dB. Perfect for family working in different shifts, babies and older generation

SPECIAL FEATURES

Self clean option: Runs a short wash to clean the drum

Child lock: Locks all operations during cycle so a child cannot operate it

Pause: Stop the operations at any time of the cycle for any reason

Reload: Open the door during a wash cycle to add clothes

End of cycle chime: The machine will chime at the end of the program every 5 minutes until any button is pressed or the door is opened

FASTER SERVICE

Built-in Diagnostics: Choice of 9 error codes inform the user of possible problems, reducing down-time for service
