Made of Strong Steel	——>	Holds large TVs up to 165 lbs
Universal Hole Patterns	——>	Fits Standard VESA hole patterns & non-standard patterns
Lateral Adjustment	——>	Allows side to side adjustment for perfect centering

Product Description:

Mount medium and large TVs securely with the 5046T Master Mounts TV mount. Made of super strong steel, this low-profile Tilting TV mount will hold up to 165 lbs and fit non-standard and VESA standard hole patterns up to 400x600mm. The arms can be adjusted side-to-side to perfectly center on your wall. The arms will tilt down 10 degrees for perfect viewing angle. The low-profile of 1.75"(flat) to 4.25 (fully tilted) keeps TVs flat against the wall for a slim look and clean lines. The open backed frame allows for easy cable routing. Includes all hardware, installation manual and a built-in bubble level for fast and easy installation. Durable black powder-coated finish. Fits most screens up to 70+" however, check the VESA hole pattern and weight of your TV to confirm compatibility. Lifetime Warranty against Defects.
