9 Light Chandelier

A hand-painted Rubbed Bronze finish complements the textured Seeded Glass and heightens the rustic industrial look of the Galveston Collection. These vintage-inspired fixtures have a unique convertible design that allows the fixture to be mounted with the glass facing up or down. This strikingly masculine collection is perfect for vintage farmhouse and industrial decors. This 9-light chandelier is graciously sized for large rooms, but its height allows it to work well with 8-9' ceilings
