

LEARN 'N FOLD™ LEARNING TOWER®

The all-new Learn 'N Fold™ Learning Tower® by Little Partners® is a folding Learning Tower® that has been safely designed with the guiding principles of hands-on learning in mind, bringing your little one confidently and securely to counter height to work and play alongside parents, caregivers, siblings and friends. Perfect for any space your child needs a boost, the Learn 'N Fold Learning Tower's compact design locks securely when needed and stores away easily when not in use—no tools required! Designed in USA for ages 2-6, supports up to 150 lbs.

Model: **LP01474**

Finish: **Soft White**

MSRP: **\$199.99**

LEARN 'N FOLD™ LEARNING TOWER®

Giving Your Little One the Boost They Need in a Safe, Compact Design.

PRODUCT INFORMATION

- Unlike traditional step stools that can be bulky and unsafe for young users, the **Learn 'N Fold™ Learning Tower® by Little Partners®** provides a safe environment for your little one as well as a compact design that stores easily in your home when not in use.
- Children love to help and feel involved. Grow your child's confidence in the kitchen, bathroom, or wherever they need a boost by allowing them to reach counter-height independently to work and play alongside parents, caregivers, siblings and friends.
- Four-sided railings provide security and peace of mind for parents, while providing your child the confidence and independence to climb in and out of the folding learning tower unassisted.
- The Learn 'N Fold™ locks securely into place and easily folds up when not in use, storing away conveniently in a closet, pantry, or garage.
- As your child grows, so does the Learn 'N Fold for years of use! Simply adjust the platform to two height positions (From floor- Position 1: 12.36", Position 2: 18.01"), no tools necessary.
- Designed in USA to meet the needs of young children ages 2-6, the Learn 'N Fold supports up to 150 lbs.

DETAILS THAT MATTER

- **GREENGUARD GOLD CERTIFIED:** This product has undergone rigorous testing for over 10,000 chemical emissions and VOCs. Not only is it proven safe for children to use, but it contributes to cleaner indoor air, creating a healthier environment for your child to sleep, play, and grow.
- Constructed from the highest-quality layered Birch and Poplar that is EPA TSCA Title VI and FSC (Forest Stewardship Counsel) compliant.
