

The Mabelle Collection

Upgrade your outdoor space with this Mabelle 3-piece sectional conversation set from Hanover. Adaptable to your yard, balcony, porch or patio, these two modular sofas can be positioned together or apart to accommodate larger parties or intimate get-togethers. The pieces can function as a wrap-around sectional or as a pair of sofas with the one-armed sofa doubling as a chaise lounge. Friends and family alike can relax bolstered by comfortable, quick drying cushions and pillows. The sofas are made from two-tone, hand-woven PVC resin, giving you the appeal of wicker but with added durability. Rounding out the set, the chow table bridges the gap between coffee table and dining table—it's raised height makes it perfect place for a quick bite or casual dinner. It features a white, painted tempered glass top that makes cleanup a breeze. Made with all-weather materials, you'll enjoy timeless style from the Mabelle collection for years to come.
