4 Light Pendant

Named for the winged goddess of truth, Aletta is an eclectic revamp of the classic birdcage chandelier. Use the light to show off your creative flair. The gold cage and feather accents magnetically draw the eye. Alternating strands of decorative chains with and without metal feather accents hang from a high dome. A Vintage Fired Gold finish warms the lovely design. Open circle details and a round diffuser provide additional elegant touches. Truly remarkable, the whimsical fixture adapts easily to most interiors. Dress it up with coordinating glamorous décor, or style it down with more casual furnishings.
