25"

Stylish addition to your outdoor entertaining space!

**DIRECTIONAL HEAT:** This innovated design produces 40,000 BTUs of heat for up to 9-15 hours (depending on heat settings)

**DURABLE CONSTRUCTION:** Painted steel frame with stainless steel base 8 LBS. **LAVA ROCKS:** The red rocks trap and disperse heat, providing warmth and ambiance.

**ANTI-TILT FEATURE:** Includes a flame failure cut-off switch for safety
