

# KETCHAM TECHNICAL DATA

## NOVA + Series

Rectangular LED Mirror with  
Defogger + Lighting Touch Sensor

The Nova + Series features two  
LED light strips inset into the face  
of the mirror which illuminates  
the front of the LED mirror.

Complete with a defogger touch  
sensor and a lighting touch sensor  
that adjusts to your preferred color  
temperature and brightness this  
mirror has it all.
