installation instructions

Friendly Tip: Take a deep breath going on. This is easy even if you are not used to tools. Just follow these steps to the T, and the outcome will be worth it!

step 1:

Make a mark on the wall where you want to hang the mirror (A).

step 2:

Drill a hole at the point you just marked.

step 3:

Using a hammer, insert the wall plug (C) inside the hole.

step 4:

Fix the screw (B) into the wall plug (C). Use a screwdriver to make sure it is secure.

step 5:

Place the multi-direction keyhole over the screw.

step 5:

The multi-direction mounting allows you to choose the angle of your display.

Voila! Your mirror is now installed and secure!
