EXPLORE 'N STORE™ LEARNING TOWER®

The Explore 'N Store™ Learning Tower® by Little Partners® has been designed with the guiding principles of hands-on learning in mind, bringing children to counter height to encourage exploration, independence, and interaction with parents and older siblings. Its compact profile includes a folding step that makes it a perfect fit under kitchen counters and islands, while its adjustable design grows to meet your child's needs.

PRODUCT INFORMATION

The **Explore 'N Store™ Learning Tower® by Little Partners®** is unlike traditional step stools with its safe and versatile environment.

Compact design includes a folding step making it the perfect fit for smaller spaces.

Children can climb up to counter height and learn and explore alongside parents, caregivers, siblings and friends.

Four-sided railings provide security while allowing independence to climb in and out of the tower.

Step locks securely in place in the down position and folds up for storage.

Platform adjusts to four heights easily without tools. (Level 1 : 10.59", Level 2: 13.19", Level 3: 15.79", Level 4: 18.39").

Designed to meet the needs of young toddlers 2 years and up. Holds up to 150 lbs.
