TruGranite

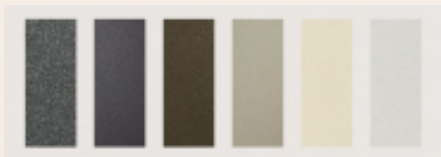

Our TruGranite sinks come in six colors to match any countertop: black, silver, mocha, slate, beige, and white. They are made with 80% Quartz and 20% Acrylic and have a non-porous surface that gives the sink antibacterial properties. They are extremely scratch resistant, can withstand temperatures up to 550 Degrees, and are unaffected by household acids and cleaners. They are also completely stain resistant. All undermount sinks come with a cardboard cutout template and mounting hardware.
