

Fluted Drop-in Petite Barclay Products Lisbon

TECHNICAL SPECIFICATIONS

- Vitreous China Drop-in Sink
- Soft White High Gloss Glaze
- Decorative Rim and Bowl
- Single Hole Overflow Drain

Outer Dimensions	17-3/4" x 14-1/2"
Basin Area	15-1/2" x 12-1/4"
Basin Depth	approx 5-1/2"

Please note: Basins are hand-crafted and fired to high temperatures, final dimensions may vary slightly.

Once the decoration has been put on the fixture it is kiln-fired again to approximately 1500°F, this fuses the design to the glaze on the fixture. Decoration is guaranteed for the life of the fixture, it won't wear out or fade away with proper care, which is nothing abrasive. We recommend dish soap and a soft cloth.

Fixture is made in the United Arab Emirates and decorated by hand in the USA.
