

Assembly Instruction Sheet #S-9975P15 For Style 9975P15

Tools Required: Pliers screwdriver, pliers, wire cutters, wire strippers, electrical tape, safety glasses.
Light Source: (4) E12 Candelabra Base Bulbs 60W Maximum(Not Include).
Estimated Assembly Time: 30-40 minute
Preparation: Identify and label all parts before beginning installation. Check package content list and diagrams below to be sure all parts are present. If any parts are missing or damaged, do not attempt to assemble, install, or operate the System. Contact customer service for replacement parts.

Warnings and Cautions
 Turn off electricity at circuit breaker or main fuse box before installation. Consult a licensed electrician if in doubt. These instructions are provided for your safety. It is very important you read them completely before installing the fixture. We strongly recommend that a licensed, professional electrician perform the installation. Disconnect fixture from power source before replacing bulbs. Make sure bulbs are given sufficient time to cool before removal.
