Salt lamps and candle holders complement the lighting orientation of any space.

Our salt lamps are meticulously handcrafted from a blend of naturally mined salt and create the perfect ambiance for every part of the home. Each candle holder has been structured to provide stability and drip protection to give your space a beautiful yet workable setting. The candle holders are available in different shapes, weight capacities and sizes to give users flexibility in selecting the one that will look best in any kind of environment or home decor. **A combination of Himalayan salt lamps and candle holders** is perfect for a themed table with the exclusive and elegant outlook that is portrayed. The salt lamps and candle holders are not only unique; it radiates beauty which also offer a high-quality therapeutic setting too.

Perfect for a living room table or accent piece! Cut from the depths of the earth, the rough exterior can be quite deceiving. The edges while appearing jagged have a smooth finish that creates the sense of nature right within your space. The soft pink light and gentle healing energy create a feeling of relaxation and purity. The heated salt naturally produces negative ions to purify the air. Our sturdy wood bases are perfect for any location.
