## Fovero RLM - 8" Wall Sconce

### Features

- Fovero RLM's Wall Sconces are manufactured using premium cold rolled steel and die cast zinc, which is then electrostatically sprayed, prior to being oven baked with reliable UV stabilized paint suitable for indoor and outdoor use.
- Each shade comes with a wire length of 12 in. & Matches Fovero RLM SBL14-XX & SBL17-XX
- Ideal for mounting near front door, above doorways, and walkways.
- Takes up to 100W A19 Incandescent Bulb, or any E26 Medium Base LED Bulb.
- Fovero RLM's are UL Listed for Wet Locations [E502113]
