

Beloved 5-Light Mini Chandelier

Beloved, our traditional mini chandelier, features five candelabra-style lights arranged on scrolled arms with faux wax drippings and metal bobeches. Artful details include clear, smooth glass beads lining a scrolled metal framework with a unique chocolate finish. Draped glass beading and faceted crystals complete this contemporary design. Beloved’s elegant craftsmanship will be the centerpiece of your foyer, stairwell, living room, dining room, bedroom, or walk-in closet.
