

Karran quartz sinks are manufactured from durable quartz composite material that makes them incredibly tough and resilient to even the toughest daily kitchen tasks. They contain 80% natural quartz crystals and 20% high performance acrylic resins. These materials provide high scratch, stain, chip and heat resistance. The under-mount design features a flat, integrated 9-1/4" deep apron. This sink kit comes complete with stainless steel bottom grids, stainless steel basket strainers and Luster Pro oil.

Series:	Quartz QA Series
Material:	80% quartz / 20% acrylic resin
Installation Type:	Apron front
Configuration:	Double equal bowl
Overall dimensions:	34" x 21-1/4"

Karran kitchen faucets are designed to look beautiful and function flawlessly. Made using the highest quality, long-lasting components, each faucet will provide years of trouble-free use. This faucet is simple to install with its single hole mounting design, and comes in a variety of elegant, durable finishes that will complement your kitchen décor. The multi-function spray head provides both a gentle aerated stream of water and a powerful spray for tougher cleaning situations. Single lever flow and temperature control makes it very simple to operate. Consider one of these faucets the perfect choice for any residential or commercial kitchen project.
