TECHNOLOGIES

- **Noptics** - prismatic lenses create a 120° spread of even, full-bodied light.
- **PearlPURE** - Produces brilliant, full-bodied white light with high color rendering so colors within the room are lit accurately and vibrantly.

APPLICABLE CERTIFICATIONS

Q: What does a "UL certified" product mean?

A: Underwriters Laboratories (UL) is a nationally recognized, independent product safety certification organization. The UL Mark is proof of product compliance to North American safety standards. Authorities Having Jurisdiction and code officials across the US and Canada accept the UL Listed Mark as proof of product compliance to published industry standards.
