

ASSEMBLY INSTRUCTION

RIVINGTON - NIGHTSTANDS RIGHT

## STEP 1

### Caution:

- When attaching the legs, please do not put the cabinet directly on floor to avoid damaging the product.
- Please put the cabinet gently on the styrofoam to protect the product while attaching the legs.
- When attaching the table stretcher bar to metal leg, put all screws tightly in place before tightening them.
- To protect the product, do not use too much force when tightening the screws.
