Made of Heavy Duty Steel	————>	Strong, Durable mount will securely hold larger TVs
All hardware and instructions included	————>	Easy installation

Product Description:

Master Mount 601 Heavy-Duty steel full motion articulating TV mount has a low 1.5" profile against the wall and will extend out and adjust to the perfect viewing angles. The 601 will tilt up 2 degrees and down 12 degrees and swivel from side to side 180 degrees. The cantilever arm pulls out from the wall 18". Able to hold TVs with VESA patterns from 75 x 75 to 400 x 400 and weighing up to 66 lbs, the 601 is very strong and versatile for many applications. Made of strong steel with durable black powder-coat finish. The 601 mount fits most LCD, LED and OLED screens up to 60" however, rely on the VESA pattern and weight to determine a proper fit. Lifetime warranty against defects.
