

Karran Quattro Matte sinks are designed with grace and flair combined, creating sinks that are truly eye-catching. They are produced from a 100% acrylic solid surface. All models are available in our crisp white finish. They feature a matte surface that is easy to clean and care for, and disguises scuffs and scratches to the surface. Consider them the perfect choice for any residential or commercial bathroom project. All Quattro Matte sinks are designed to be vessel mounted above the countertop, allowing for more storage space in the cabinet below. Pair your Quattro Matte sink with a Karran bathroom faucet. Select a taller faucet for all vessel sink installations.
