

This drawing shows a mechanical component with a vertical post and a horizontal arm. The post is attached to a base, and the arm extends from the top of the post. The drawing includes a small inset in the top right corner showing a detail of a corner or joint. The drawing is rendered in a simple, schematic style with black lines on a white background.

## BRACKET

This drawing shows two views of a mechanical bracket. The top drawing is a side view showing a vertical post with a horizontal arm extending from its top. The bottom drawing is a top-down view showing the profile of the post and the arm. Both drawings are rendered in a simple, schematic style with black lines on a white background.
